

COACHES CODE OF CONDUCT

Our organization is committed to the principles of Positive Coaching and against a “win-at-all-cost” mentality. A win-at-all-cost coach has only one goal – to win. Our coaching philosophy is one that shares the goal to win along with a second goal that is even more important – to use this sports experience to help “coach up” players and provide an environment in which young people learn “life lessons” and positive character traits that will help them be successful throughout their lives.

To ensure the appropriate atmosphere for these activities, our organization has adopted a zero-tolerance policy in the enforcement of the Code of Conduct.

- I will place the emotional and physical well-being of my players ahead of my personal desire to win.
- I will provide each player with as much playing time as possible within a constructive well-balanced skill and motivation-based learning environment.
- I will do my best to always provide a safe playing situation for my players.
- I will always communicate with my team and the League calmly and respectfully and do my best to always provide a safe playing situation for my players.
- I will lead by example in demonstrating fair play and sportsmanship to all my players on and off the field. I will teach players to embrace the loss as well as the win.
- I will respect the decisions of referees and coaches, even during challenging calls.
- I will remember that I am a youth sports coach and that the game is for children and not adults.
- I will adhere to the Coaches Code of Conduct while participating in any and all League activities.
- I will be knowledgeable in the rules of each sport that I coach and will teach these rules to my players.
- I understand the responsibility of the NFL Flag football brand, coach in the League provided Uniform and will always demonstrate professionalism for the brand and the game.

I understand that I will abide by the above Code of Conduct, if I do not live up to the Coaches’ Code of Conduct, I am subject to the violations as set forth in the parents Code of Conduct, as determined by the League. In the event of a conflict and/or dispute, the League’s decision is the final arbiter at the Leagues sole discretion.
